

Waseem Al kordi

Graphic Designer

Personal Introduce

My name is waseem, I am 24 years old, I've graduated from IUG university of Gaza with a bachelor degree, I work as a graphic designer (Logo design, branding, visual identity, guideline, social media design).

Education

- Diploma in Graphic Design
| 2017-2019

the art or skill of combining text and pictures in magazines, advertisements, or books.

- Diploma in English language
| 2016-2018

I have studied an advanced diploma in learning the English language at deference centers involved in (12 levels, advanced writing, communication skills, preparation for IELTS & TOEFL exam).

Experience

- Freelancing | 2017-2021

I work freelance from home with different companies at different times rather than being permanently employed by one company.

- Moation graphic | 2017-2019

I worked as a sales manager & programming phones in a lot of stores for mobile phone.

- Photography & Graphic design | 2015-2021

I was working as a photographer for 2 years, that's taught me so much to have some touches in the art & editing photos which qualified me to love adobe photoshop program one of Adobe software packages.
