

ISRAA HUSAIN ZOROUB

SUMMARY

I am a UI & UX designer. I have many years of experience as a UI & UX designer with extended experience in Graphic Design.

I graduated from the IUG with bachelor's degree in Multimedia & web development.

In general, the UI/UX design combination between the creativity that I get it from my experience in graphic design and the logic so that produce successful user experience (UX) and creative user interface (UI).
