WORK EXPERIENCE

MILDAN Brothers

26/06/2018 — 02/09/2018

Project Manager

This position at MILDAN company took me a huge amount of work & a great responsibility.

My duties were to take over the team of the website Aqarati.com and Aqaratdubai.com. Including website building and enhancements, taking some serious decisions for the team and the website.

The main business topic is **(REAL ESTATES)** in Dubai specifically and UAE and other countries in general.

MILDAN Brothers - AQARATI.COM

03/09/2017 — 26/06/2018

SEO Specialist - Content Manager

I used to work as SEO Specialist for MILDAN Brothers company. The company is located in Dubai, UAE.

My main duties were to fix all SEO issues and to increase the rates of the website's SEO scores which will lead eventually to a better traffic to the website.

SEO is a day-by-day work which requires the understanding of the search engines bots and how do they operate and judge the website. This also includes a lot of responsibility for tracking the perfect clients to the website.

MILDAN Brothers - AQARATDUBAI.AE

17/05/2017 — 03/09/2017

Content Manager

I used to work as a Content Manager for the company MILDAN Brothers which is based in Dubai, UAE.

I was responsible for the content **(Real Estates)** on the website and I took over the uploading process which includes optimizing content (Images, Excerpts, Cross-Linking, Optimizing Images for the web and more) using tools such as (Photoshop, JavaScript Node, Online Count Character).

Also, optimizing the content for the web including SEO related stuff such as Meta Title and Meta Description.
